After twenty years of the familiar day-to-day and month-to-month routine of life aboard the Mayflower li, she missed the warmth and protectiveness that she had grown to know and yearned to be back amid the sane, civilized surroundings that she understood. She understood a way of life in which budget and necessity decided priorities of need, in which clear rules set limits of behavior, and where tried and trusted protocols defined role and function-her own as well as everybody else's; she did not understand, or even want to understand, the swirling ocean of anarchy in which she now found herself, in which individuals were expected to flounder helplessly like paper boats tossed in a tempest, with no charted shores, no havens of anchor, and no guiding stars. She had no place in it, and she desired no place in it. Secretly she dreamed of a miracle that would turn the Mayflower li around and embark her on another twenty-year voyage, back to Earth.. "Cause birds eat bugs..".But you hardly even talked about it. Hell, I know I'm twenty years older too, but at least I haven't forgotten all the things we used to talk about. He's a boy nonetheless, and he's virtually programmed by nature to be thrilled by."Not yet. I have to make contact first..".Jarvis and Chareuz glanced at each other. Then Jarvis looked away as a new report came up on one of the screens. "Peterson has come out for Borfein in the Government Center," he muttered over his shoulder. "I guess it's all over in the Columbia District. That has to give them the whole Ring..".Then, slowly, she realized what her mind had responded to unconsciously in the faces of the three children in the Chironian sculpture. The artist had been not merely an expert, but a master. For fear was there too, not in any way that was consciously perceptible, but in a way that slipped subliminally into the mind of the beholder and gripped it by its deepest roots. That was why she had felt disturbed all the way back from Franklin. But there was still something else. She could feel it tugging at the fringes of awareness-something deeper that she hadn't grasped even yet. She turned her eyes to the sculpture again..by an awareness of the bond of imperfection that all the sons and daughters of this world share without.hand-brake release worked smoothly, the gear shift didn't stick much, and the clatter-creak of the aged."He ought to be given a chance to go and look at it," Borfein agreed with a nod. "What would be the best way to arrange

something like that?". Sirocco shrugged. "I'm pretty sure it can't be Wellesley. He's tried to play it straight, it's all sweeping him way out of his depth. Anyhow, what would he have to gain? All he wants to do is to be put out to pasture; he's only got a few days left. Ramisson obviously wouldn't be involved in something like that, and the same goes for Lechat. But as for the rest, if you ask me, they're all crazy. It could be any of them or all of them. But that's who the Chironians are really after." .points toward the hallway that leads to the restrooms.
